**Graduation Success Initiative**

The Graduation Success Initiative (GSI) is an extensive, university-wide set of resources dedicated to helping you to succeed academically.

The key ideas behind the GSI are simple:
- Help you find your academic home as early as possible—your appropriate major, a major that matches your interests, abilities, and goals.
- Provide you with a clear path to success—timely graduation in your appropriate major.
- Give you immediate feedback and support if you get off your path to success.
- Remove barriers and add supports for you as you progress on your path to success.
- Reach out to you proactively with guidance to connect you with your advisor.
