MPTF Grant	Music Performance Trust Fund	The Music Performance Trust Fund (MPTF) was established in 1948 as a nonprofit independent public service organization whose mission includes contributing to the public knowledge and appreciation of music, as well as making music a part of every child's life experience. Headquartered in New York City, the tax-exempt MPTF, operating under section 501(c) 3 of the Internal Revenue Code, evolved from a landmark collective bargaining agreement between the American Federation of Musicians and the major recording companies of the day. Today the MPTF is a vital organization that brings music to the public and supplements the income of musicians, all at no cost to those receiving this precious gift of music.
