

## CARTA Curriculum Committee

### Meeting Minutes

February 23, 2017, 1-2pm, PCA280

Present: Nathalie Desrayaud, Daniel Guernsey, Newton D'Souza, Marta Canaves, Fred Blevens, David Rifkind (*ex officio*)

Absent: Rebecca Covey, Karen Fuller, Eric Peterson

1. Newton D'Souza presented two proposals for new courses in Interior Architecture
  - a. A 2000-level course, Introduction to Interior Architecture, will act as a broad introduction to the history, principles, and practices of Interior Architecture. The committee reviewed the syllabus, and asked for several revisions. These include a course description, objectives, grading criteria, and grading scale.
  - b. A 5000-level course, Managing the Design Project, will provide detailed instruction on the processes involved in project management in the construction fields. The committee reviewed the syllabus, and asked for a grading scale to be added.
  - c. The committee unanimously approved the new courses with the condition that they be revised as requested.
