COMMUNITY ENGAGEMENT

IPAL

One of only 26 NAAB-accredited programs nationwide and the only program in South Florida to provide the Integrated Path to Architectural Licensure (IPAL) initiative. The partnerships with local architecture design firms allow architecture students to earn AXP hours towards licensure, by providing a curriculum that incorporates professional experience and examination.

WALK ON WATER

A celebratory competition where students design and construct shoes to walk the length of the Green Lake to win scholarships and travel grants. This signature event brings the students, faculty, staff, alumni, and community members together every November.

FIU by DESIGN

Provides opportunities for exceptional students to work shoulder-to-shoulder with our faculty, local partners, and real clients to gain meaningful learning experiences while contributing to our community's development. Through real-world experiential learning opportunities, this program enhances our faculty and students' success by serving as an innovative solution center that provides consulting services.

ART WEEK & DESIGN MIAMI

Faculty and alumni work is annually showcased at Miami's prestigious international art and design fairs that brings art world together with representations from over 200 leading galleries and more than 4,000 artists from five continents.
