Academic Experience

2020-Present

Interim Director of Career and Talent Development for the College of Communication, Architecture + the Arts

Florida International University (FIU), Miami, FL

Provides leadership to the overall operation of Career Strategy + Success within the College of Communication, Architecture + the Arts (CARTA). Serves as strategist and liaison between the University and CARTA's various teams and departments (Communication, Journalism + Media, Architecture, Landscape Architecture, Interior Architecture, Art + Art History, Music, and Theatre) associated with careers. Facilitates team collaboration focusing on providing resources to students related to career readiness, internships, employment and/or graduate school. Oversees the design and implementation of various initiatives aligned with the University and CARTA missions for achievement of student success as it relates to post-graduation and employment. Accountable for college-wide career-related student engagement and programming, employer initiatives and engagement, post-graduate course coordination, Handshake (online career platform) promotion and engagement, career website design and strategic development, career resource development, promotion and marketing strategies, partnership policies and norms, and metrics and reporting.

2010-Present

Associate Teaching Professor | Internship Coordinator

Florida International University (FIU), Miami, FL

Studio Courses: Graduate Design 1, 2, 4, and Master's Project, Design 2

Lecture Courses: Building Systems for Interiors, Sustainable Practices in Interior Architecture, Professional Office Practice, Project Programming, Personal Branding + Career Preparation

Responsibilities: Serve as Faculty Chair for annual Festival of the Trees Scholarship Fundraiser (grossing over \$50,000 each year). Create and execute annual D3E Student Conference for all three School of Architecture disciplines (grossing over \$32,000 in total over three years). Manage Department of Interior Architecture internship program. Lead FIU by Design-funded design studios to collaborate and liaise with real clients, including Red Bull and American Social. Develop course curriculum, communicate course content, facilitate class discussions, and evaluate projects. Coordinate service projects, field trips, guest lecturers, and guest critics. Review potential student and faculty applicants. Manage Graduate Assistants. Submit proposals for and present at conferences.

2009

Art Teacher

Alexander Camp, Alexander Montessori School, Palmetto Bay, FL

Responsibilities: Planned lessons and taught art projects to children ages 6-13 in class sizes of up to 22 students.

1999-2000

Teaching/Clinical Psychology Intern

The Kennedy School S.E.E.K. Program, Somerville, MA

Responsibilities: Assisted lead teacher in public school program designed for children with psychological disabilities. Developed weekly activities and met with students individually outside the class setting. Taught lessons and supervised students in class activities.

Other Professional Experience

2019-Present

Executive Producer | Website Designer

Surfing Corporate, Miami, FL

Responsibilities: One of three founders of multi-media start-up. Develop brand and written content across all media including podcast, social media, merchandise line, and website. Design UX & UI for website, including graphic language. Edit and develop all content, including Surfing Corporate book, written and graphic content, and podcast audio.

2018, 2019

Senior Faculty Lead

FIU Interior Architecture Department, Miami, FL

Responsibilities: Represented the University to lead and coordinate design studios sponsored by Red Bull and in collaboration with American Social Bar & Restaurant. Liaised with clients, developed and taught curriculum, reviewed student work, and coordinated student scholarship within University guidelines.

2010-2018

Architectural & Interior Design Consultant

Alexander Montessori School, Palmetto Bay, FL

Responsibilities: Led national search for artist to fulfill the Village of Palmetto Bay's Art in Public Places requirement for Alexander's new LEED Gold building. Developed competition criteria, compiled, evaluated, and presented candidates to stakeholders, including architect and Co-Heads of School. Consulted with Co-Heads of School on various renovation projects: researched and presented design proposals.

2003-2018

Principal Interior Designer

Freelance

Responsibilities: Managed and completed residential and commercial interior design projects through all phases of design and procurement, both as an individual and with an assistant.

2014-2015

Project Designer | Principal Investigator

FIU by Design, Miami, FL

Responsibilities: Represented the University to complete commercial interior design project from contract writing through design development. Led client meetings, developed project timeline, and managed Graduate Assistant.

2009-2010

Brand Developer | Senior Designer

blue lite, a design company, inc., Miami, FL

Responsibilities: Led in the development of a start-up company. Established relationships with suitable vendors and developed furniture packages and budgets. Researched marketing opportunities, competition, and potential sales leads. Created brochure templates and marketing materials.

2009-2010

Brand Developer | Copywriter

blue, a design company, inc., Miami, FL

Responsibilities: Developed new website map, content, and copy. Hired and coordinated with graphic designer. Wrote copy for publications.

2009-2010

LEED Consultant

blue, a design company, inc., Miami, FL

Responsibilities: Led project team through the initial LEED for Homes process. Acted as head liaison between the project team and the USGBC-designated LEED for Homes Provider. Reviewed LEED requirements and project documents and met/coordinated with consultants.

2007-2009

Project Designer | Project Manager

The Gettys Group, Coral Gables, FL

Responsibilities: Led design team in programming, space planning, and FF&E selections. Developed proposals and served as Miami office representative the Hotel of Tomorrow (H.O.T.) Project, a thought leadership forum spearheaded by The Gettys Group and *Hospitality Design* magazine to conceptualize the future of the hospitality industry. Authored proprietary online FF&E Specification Manual. Conducted quality control measures for specifications, budgets, construction drawings, and presentation materials. Participated in project scheduling, consultant coordination, and client meetings. Performed specification writing and prepared presentations and drawings for conceptual, schematic, design development, and construction documents. Performed construction administration duties including shop drawing/submittal review and site inspections, and oversaw project installations.

2005-2007

Designer

The Gettys Group, Coral Gables, FL

Responsibilities: Assisted in the selection of FF&E materials, space planning, and programming. Participated in consultant coordination and client meetings. Worked with vendors to compile pricing and obtain product samples. Performed specification writing and prepared presentations and drawings for conceptual, schematic, design development, and construction documents.

2003-2005

Junior Designer

blue, a design company, inc., Miami, FL

Responsibilities: Assisted in the selection of FF&E materials, space planning, and programming. Prepared presentations and drawings for schematic, design development, and construction documents. Performed specification writing and assisted with client invoicing. Coordinated merchandise procurement, including purchase order writing, follow-up, warehousing, and delivery. Produced 3D digital renderings and presentation boards. Presented designs to clients, met with vendors, and organized library. Inspected job site, coordinated and supervised contractors, and completed installations.

2001, 2002

Interior Design Intern

blue, a design company, inc., Miami, FL

Responsibilities: Organized library, met with vendors, produced presentation boards, and followed-up on purchase orders. Assisted with specification writing, site inspections, and project installations.

1999

Interior Design Intern

Denham-Vitalie design associates, inc., Pittsburgh, PA

Responsibilities: Organized library. Assisted in client meetings and site inspections. Gathered field measurements and created as-built drawings.

Computer Skills

Proficiency In:
