FIU Placement Audition Packet Fall 2022

Directions:

At the audition you will be asked to play from a selection of these orchestral excerpts. You may not end up playing all the excerpts in your audition, but all 6 should be fully prepared.

All required sheet music for the excerpts are included in this packet. Follow the instructions for where each excerpt begins and ends (in parentheses in the Repertoire section of this packet).

I recommend listening to the pieces these excerpts come from in order to create an interpretation that makes sense within the context of the piece.
